What Price Peace...?

COMMUNIST BLUEPRINT:

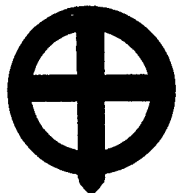

"War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come in twenty to thirty years. To win we shall need the element of surprise. The bourgeois will have to be put to sleep, so we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The Capitalist counterintelligence, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist."
—Dimitry A. Manuilsky
Speech—1930

There can be NO 'peace' while Communism exists!

Americans forget too much too soon. World Communism is determined to conquer the whole earth! The Communists already have one half of the entire globe under their control, and they are now trying to conquer the other half. Only the United States stands in the way of their plans! The Reds are not powerful enough at this time to defeat us by force, so they must resort to other means. One of these means is the so-called "PEACE" movements.

By exploiting the fears of the American people towards nuclear war, the Reds are able to mislead and misdirect some sincere but gullible citizens into advocating "disarmament" and "coexistence" with Communism.

There can be NO "peace" while Communism exists! The PRICE OF PEACE will cost us our freedom... forever!! The quotation on the left is a clear indication of what the Communists really mean by "peace".

AMERICAN NAZI PARTY, ALSO KNOWN AS
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that George Lincoln Rockwell, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards and talks by Rockwell attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

Re: Fighting American Nationalists

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-Communist organization. Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

b6
b7C

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued there are three members of the FAN in Washington, D.C.: [redacted]
[redacted] and [redacted]

A source advised on February 17, 1961, that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

THE NEW YORK COUNCIL TO
ABOLISH THE UN-AMERICAN
ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

The "National Guardian" in January 16, 1961, issue, page 7, column 1, contained an article which states that the NYCAUAC has only one objective: "to help the National Committee as vigorously as possible in its endeavors to mobilize the American people in a campaign to abolish the House Committee on Un-American Activities."

A third source furnished on March 9, 1961, a prospectus of the NCAUAC prepared principally by FRANK WILKINSON, which in reference to "local abolition committees" stated that these committees may identify and coordinate their efforts as closely as they desire with NCAUAC, still maintaining their autonomy for as flexible and independent program as possible. The prospectus also stated that the NYCAUAC was responsible for coordinating abolition activities on the Atlantic coast.

Various sources have advised in April, 1961, that Communist Party members in the New York City area have been solicited to support activities of the NYCAUAC during attendance at Communist Party club meetings.

YOUTH TO ABOLISH THE UN-AMERICAN COMMITTEE also known as Youth Against Un-American Activities Committee

On February 9, 1960, a source made available a mimeographed letter dated January 26, 1960, signed by "Youth Against House Un-American Activities Committee." This letter explains that several youths who had been active in promoting international exchanges had been subpoenaed to appear before the House Committee on Un-American Activities (HCUA) on February 3, 4, and 5, 1960. It states that at a meeting held on January 23, 1960, in New York City, a Committee of Youth Against the Un-American Activities Committee was formed to oppose the hearings in a joint effort with "the large segments of the people who already challenge the constitutionality of the committee's existence."

On June 10, 1960, and August 11, 1960, the same source advised that at a meeting of the Manhattan Youth Club, Communist Party, held on June 5, 1960, in New York City, it was stated that the composition of the "Youth Against the HCUA" was half-Communist Party and half non-Party; however, ninety-five per cent of the members were members of Advance.

On June 6, 1960, a second source advised that at a meeting on June 3, 1960, at New York City, it was announced that the name of this organization had been changed to Youth to Abolish the Un-American Committee.

On February 21, 1961, a third source advised that on that date a meeting of the Youth Committee was held in New York City. In attendance at this meeting were representatives from nine colleges in the New York City area. At this meeting a "Co-ordinating Committee" was selected consisting of a representative and/or representatives of each of the colleges. The purpose of this group would be to meet regularly and co-ordinate future activities and the Youth Committee would co-ordinate all east coast college abolition activity.

On July 6, 1961, a fourth source advised that the Youth Committee maintains headquarters at 150 West 34th Street, Room 442, New York City.

ReNYtel to Bureau and WFO, 12/8/61.

On 12/13/61, Detective [redacted] BGS, NYCPD, advised that on the evening of 12/12/61, Patrolman JAMES BORAN, [redacted] in the Fighting American Nationalists (FAN), in NYC, [redacted] was in telephonic contact with [redacted] currently at American Nazi Party (ANP) Headquarters in Arlington, Va.

[redacted] informed [redacted] that any plans for ANP members to come to NYC had been indefinitely postponed.

[redacted] stated that he himself would not return to NYC until some time after 1/1/62.

[redacted] further advised that GEORGE LINCOLN ROCKWELL had all ANP members working full-time on a project to make certain that from 175 to 300 copies of his book, "This time the World" were completed before 1/1/62.

[redacted] warned [redacted] to stay away from [redacted] and [redacted] both members of the American National Party in NYC and former members of the ANP because he felt that they were "in the pay of Jews" and "report to Jews and other people". [redacted] did not further amplify these statements.

FEDERAL BUREAU OF INVESTIGATION

Re: American Nazi Party
Racial Matters

On November 27, 1961, [redacted]

[redacted] advised

and [redacted] with George Lincoln Rockwell's
American Nazi Party (ANP).

[redacted] stated that he had severed his connections
with the ANP in the early part of November, 1961, and
had departed for New York City where he is presently
engaged in [redacted] American National Party
together with Ralph Grandinetti, [redacted] and his
wife, [redacted] all former members of the ANP.

b6
b7c

[redacted] advised that he and the others
mentioned above had resigned from the ANP because they
had become disillusioned with Rockwell and his policies
in connection with the activities of the ANP.

[redacted] stated that his decision to leave the
ANP was made when he learned that Rockwell, some time
in October, 1961, had sent three ANP members to New
York City in order to terrorize Ralph Grandinetti
and [redacted] both former ANP members, because
Grandinetti and [redacted] were organizing a new party
in New York City in opposition to Rockwell's party.
According to [redacted] sent [redacted]
[redacted] and [redacted]
all ANP members, to New York City for the purpose
of threatening Grandinetti and [redacted]

However, Rockwell advised [redacted] and
[redacted] not to engage in "any rough stuff" in New York
City because he, Rockwell, feared trouble from the New
York City Police Department if these individuals should
be arrested and their association with the ANP become known.

Re: American Nazi Party

Accordingly, [] and [] did come to New York City but limited themselves to picketing the offices of the Communist Party (CP), USA, and the United Nations (UN), under the banner of Fighting American Nationalists (FAN), which [] described as a front organization for the ANP.

b6
b7c

[] added that Rockwell had [] and [] formally resign from the ANP before they departed for New York City so that if they should be arrested, no one could claim that they were connected with the ANP.

[] stated that he and Ralph Grandinetti originated the idea of forming the American National Party and had come to New York City in September, 1961, in order to meet with [] former ANP member, for the purpose of enlisting [] aid in forming this party. [] stated that the original purpose in forming the American National Party was to oppose Rockwell and demonstrate against Communist and pro-Communist organizations. [] stated that he and others, who were members of the ANP, felt that Rockwell was using the ANP and its efforts for his own advantage and was not waging a proper fight against the CP.

[] stated that Grandinetti was supposed to lay the groundwork for the formation of the American National Party in New York City, but soon discovered that [] and Luke Dommer had seized control of the idea and were organizing under this name. [] and Dommer did organize under the name of the American National Party originally but because of protests made by [] who was the originator of this title, finally settled on using the name Nationalist Party.

According to [], the Nationalist Party is located at 507 Fifth Avenue, New York City, but this address actually serves only as a "mail drop" for the Nationalist Party and stated that the organization

Re: American Nazi Party

has no real headquarters. [] stated that one, [] is listed as [] of the Nationalist Party, but this title means nothing since Luke Dommer and [] also listed as officers in the Nationalist Party, actually are the individuals who control the operations of the Nationalist Party. [] stated that Luke Dommer has political aspirations and believes that he can become active politically through the Nationalist Party. [] advised that Dommer does not engage in any open activities with the Nationalist Party since he, Dommer, "is afraid" to show any open connection with the Nationalist Party. [] further advised that [] often serves as spokesman for the Nationalist Party during demonstrations, but that others in the Nationalist Party look upon [] as "flighty and juvenile". [] stated, in fact, that he had heard that [] may be "kicked out" of the Nationalist Party because of his immaturity.

b6
b7c

[] described the Nationalist Party as an organization which has no actual membership outside of [] Luke Dommer and his brother, []. [] advised that the Nationalist Party holds no meetings with any regularity but that they usually join in anti-Communist demonstrations around New York City, sponsored by other anti-Communist organizations, such as the Hungarian Freedom Fighters. In order to participate in these demonstrations, members of the Nationalist Party contact each other telephonically in order to make the necessary arrangements. [] stated that the impression is sometimes made that the Nationalist Party has a larger membership than it really has by participating in demonstrations sponsored by other organizations. [] stated that its actual membership consists of [] and the Dommer brothers. [] further advised that [] was also a member of the Nationalist Party at one time, but was "kicked out" by Luke Dommer and [], who suspected him of being "a spy for []". According to [] this charge against [] is "ridiculous."

Re: American Nazi Party

[] called the Nationalist Party an ineffective organization because of its lack of any organization and advised that their activity to date has consisted of anti-Communist picketing at the UN and the Soviet Mission to the UN in New York City.

Regarding the American National Party, [] stated that this organization has no actual meeting place, but has a mailing address of Post Office Box 191, Gracie Station, New York 28, New York, which was opened by Ralph Grandinetti listed as National Organizer of the American National Party.

b6
b7C

[] stated that the current membership of the American National Party consists of himself, [] Ralph Grandinetti and [] all of whom were formerly associated with Rockwell in the ANP.

[] stated that he looks upon the American National Party as "sort of a hobby" and does not believe it will ever prove to be an effective organization in its attempt to fight Communism. [] stated that the American National Party is not openly anti-Semitic or anti-Negro, but advised that this must be the sentiment of its members since they were formerly associated with Rockwell's ANP. [] stated that he, himself, is neither anti-Semitic nor anti-Negro, but stated that he is anti-Communist and efforts of the Party will be directed toward fighting Communism.

[] stated that the American National Party has not yet been chartered and has no actual membership outside of those individuals mentioned above. [] stated that he expects the American National Party might reach a total membership of 25 and stated he would advise the Federal Bureau of Investigation of the identity of any additional members.

Re: American Nazi Party

[] further advised that the American National Party merely forms "an outlet" for those associated with it to voice their political opinions and that he, himself, does not take any of it seriously, but is involved in it as "sort of a hobby". [] stated that he is certain that the American National Party will never attain any importance.

b6
b7C

Concerning Rockwell, [] stated that he has abandoned all his other projects in order to have his book, "This Time The World" published before January 1, 1962. [] advised that Rockwell received a large setback in his plans when he, [] left the American Nazi Party because Rockwell was relying on [] a printer by trade, to furnish a good deal of assistance in publishing the book.

[] stated that Rockwell, a few months ago, sent [] ANP National Organizer, to New York City for the purpose of obtaining additional ANP members, as well as selling Rockwell's book, mentioned above. Rockwell stated that [] established Parliament House, 501 Fifth Avenue, New York City, as a front for these activities in New York City. He stated that 501 Fifth Avenue is merely a "mail drop" and Parliament House as such, does not physically exist.

When [] defected from the ANP, [] was called back to Arlington, Virginia, in order to assist Rockwell in getting his book out before the end of 1961. [] stated that when he left Rockwell, about 200 of the 400 pages of the book had been completed. He stated that about 150 copies had been sold to date and that Rockwell figured to print about 300 books. [] stated that it is extremely difficult for Rockwell to mass produce the book because the labor on it is all being hand done by ANP members, which he described as a slow and tedious process. It is Rockwell's hope to receive enough requests for the book after its initial appearance, so that he will be in a position to do business with a commercial publishing house for thousands of copies of his book to be published. [] stated that he does not believe that Rockwell will ever

Re: American Nazi Party

manage to sell any appreciable number of copies of this book to warrant a publishing house to do business with Rockwell.

[] stated that Rockwell, in the past, has attempted to obtain the aid of [] publisher of "Common Sense" in Union, New Jersey, in connection with the publication of his book, but even though [] is sympathetic with Rockwell, he is jealous of Rockwell and also does not want to be branded a Nazi.

b6
b7C

Regarding other individuals associated with Rockwell, [] mentioned one [] an

[] stated that [] has never joined the ANP and was first introduced to Rockwell by Floyd Fleming who is retired, lives in Washington, D.C., and holds membership card number one in the ANP.

[] advised that the Fighting American Nationalists (FAN) is still operating throughout the United States as a front organization for the ANP.

[] stated that FAN units are in operation in the following cities, under the leadership of the following named individuals:

[]

[]

David Schreiber
Cincinnati

[]

[] stated that there is no [] of FAN in New York City at the present time since [] has returned to ANP Headquarters in Arlington, Virginia.

Re: American Nazi Party

According to [redacted], FAN units have not been too successful for Rockwell because FAN members have tended to unite with the National States Rights Party (NSRP) and lose their identity as FAN members. [redacted] stated that FAN was organized for the purpose of obtaining new members for the ANP since Rockwell felt that even though individuals might not be too receptive to the ANP at first, after participating in activities with FAN, they would be inclined to seek membership in the ANP. According to [redacted] this idea has not worked out as successfully as Rockwell had hoped.

b6
b7C

[redacted] stated that the NSRP in New York City is headed by [redacted] who resides in Brooklyn, New York. However, the NSRP in New York City, according to [redacted] has no membership and its activities have been "practically nil" in the New York area. The NSRP's main activity in New York City has been to join with FAN in picketing.

Characterizations of FAN, ANP, and NSRP are attached hereto.

Re: American Nazi Party

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958 issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue Number 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who [redacted] NSRP:

The March, 1959 issue of the Anti-Defamation League Bulletin contained an article by [redacted] entitled "Angry Young Men of Hate". Regarding [redacted] the article stated, [redacted]

There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during "Brotherhood Week".

A source advised in May, 1961, that [] participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

Re: American Nazi Party

On February 9, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD) advised that on the evening of March 8, 1962, from 7:35 pm to 8:20 pm [redacted] and Ralph Grandinetti, former members of the American Nazi Party (ANP), alternately spoke standing on a wooden box opposite the entrance to St. Nicholas Arena, New York City, where a meeting of the Americans for Democratic Action (ADA) and the Greater New York Council for a Sane Nuclear Policy (SANE) was being held in protest of the fallout shelter program in New York State.

b6
b7C

Detective [redacted] stated that the box on which [redacted] and Grandinetti stood while speaking was covered with a sign reading "We Want War. American National Party, Post Office Box 191, Gracie Station, NY 28, NY". In addition a large sign measuring approximately four feet by ten feet was held in front of the speaker. This sign which was red, white and blue read: "We Want War; Communism Must Perish; American National Party".

Detective [redacted] stated he identified [redacted] former ANP member, and currently an officer in the American National Party, who held one side of this large sign.

[redacted] and Grandinetti spoke alternately and denounced Communism, Khrushchev, those who want to ban the testing of the atom bomb and the ADA. [redacted] said, in his speech, that although he had only a high school education, he was a former Marine and loyal to his country and would debate with any pacifist or ADA member.

Detective [redacted] further advised that [redacted] and [redacted] who were identified as ANP members by Grandinetti, were present during speeches of [redacted] and Grandinetti.

Detective [redacted] advised that [redacted] carried a small tape recorder and recorded the speeches of [redacted] and Grandinetti. [redacted] was accompanied by an unknown white female, about 17 years old, 5 feet tall with blonde hair.

Re: American National Party

The source further advised that captioned organization is attempting to establish [redacted] as its representative in Florida, but [redacted] as yet has not indicated any desire to align himself with captioned organization. The source stated that [redacted], who at one time was an ANP member, is suspected by some members of the American National Party of being a "Rockwell spy".

The source stated that there has been no activity by the American National Party in recent weeks, and advised that captioned organization participated in one picketing in November, 1961, two in December, 1961, and none since then. According to the source, the above picketings were restricted to being anti-Communist picketings. The source stated that members of captioned party have also distributed a leaflet which demands that the United States wage war against Russia before Russia attacks the United States. The main purpose of this leaflet according to the source, is to shock people into an awareness of the existence of captioned organization, and to obtain free publicity which might not be obtained through more subtle literature.

According to the source, the distribution of this literature has been effective since an article pertaining to captioned organization has already appeared in "The Worker".

"The Worker" is an east coast Communist newspaper.

The source further stated that the American National Party deliberately aims at stirring up "the Commies" and plans are being formulated to distribute literature in front of Communist Party (CP) headquarters in New York City, but as yet no definite date has been set for this distribution.

The source advised that the American National Party has recently obtained membership in the Northern

Re: American National Party

European Ring, 74 Princedale Road, London, England, which the source described as a loose organization of national racial groups from the North European countries. The purpose of contact with the above mentioned ring has been for a free exchange of literature.

The source stated that approximately one month ago, [] and [] visited James H. Madole, leader of the National Renaissance Party (NRP), 10 West 90th Street, New York City, at the invitation of Madole. Madole was anxious to obtain the cooperation of the American National Party in supporting the NRP, but members of captioned party will probably not render any assistance to Madole because of his pro-Castro and pro-Soviet stand. Madole spoke of re-instituting NRP meetings in the Spring of 1962, and requested the support of the American National Party in publicizing these meetings and increasing the attendance at them.

The source further stated that [] and [] paid a visit to Conde McGinley at the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, a few weeks ago primarily for the purpose of attempting to attract new members to the American National Party, as well as distribute literature. According to the source, [] arranged to draw some cartoons for [] publication, "Common Sense".

The source further advised that on Friday evening, January 5, 1962, Roy Frankhouser, from Reading, Pennsylvania, who is National Organizer for the National States Rights Party (NSRP), met with [] at the Bavarian Inn, in the Yorkville section of New York City. Frankhouser, who advised that he would be traveling in the western part of the United States for the next couple of months attempting to recruit new NSRP members, informed [] that there would always be a place in the NSRP for [] and other members of captioned party should they desire to join up with the NSRP.

Re: American National Party

The source advised that future plans of captioned organization called for outdoor meetings to be held in the Spring of 1962, in the Yorkville section of New York City, at 86th Street and Third Avenue, New York City. As yet no definite plans for these meetings have been formulated.

Characterizations of ANP, NRP, "Common Sense", and the NSRP are attached hereto.

All sources mentioned therein have furnished reliable information in the past.

Re: American National Party

NATIONAL RENAISSANCE PARTY

On May 1, 1961, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further advised that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

The above source obtained his information from a source he termed reliable but whose identity he did not wish to disclose.

Re: American National Party

"COMMON SENSE"

"Common Sense" is a bi-monthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the October 1, 1959 issue and listed the owner and publisher as the Christian Educational Association and Editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on December 17, 1954, published the "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most Vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Re: American National Party

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana. b6 b7C

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] the Information Director of the NSRP, is the individual who "runs the NSRP".

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by [redacted] entitled "Angry Young Men of Hate". Regarding [redacted] the

Re: American National Party
Racial Matters

On February 26, 1962, a source, with whom contact has been insufficient to determine his reliability, advised that on March 2, 1962, the American National Party, Post Office Box 191, Gracie Station, New York 28, New York, will hold a street meeting beginning at 7:30 p.m. across the street from Carnegie Hall, 57th Street and Seventh Avenue, New York, New York, where a rally in behalf of "The Worker", east coast Communist newspaper, is scheduled to be held. According to the source, [redacted] and R.C. Grandinetti, both former members of the American Nazi Party, and now members of captioned party, will speak at this street meeting.

b6
b7c

The source further advised that captioned party will distribute a leaflet at this meeting entitled "What Price Peace..." which criticizes peace movements, stating that the Communists, by exploiting the fear of the American people towards nuclear war, are able to mislead and misdirect some sincere but gullible citizens into advocating 'disarmament' and 'coexistence' with Communism.

This same source further stated that a group from captioned party will attend the rally of the Young Americans for Freedom (YAF) at Madison Square Garden, New York City, on March 7, 1962, and prior to the YAF rally, will distribute the 'peace' leaflet referred to in the preceding paragraph.

A characterization of the ANP (American Nazi Party) is attached hereto.

Ten Youths in a Hollis Shack

'Party' Opposes Voting, Plan Anti-Red Shock Troops

By GERALD KESSLER

A fledgling political party that, according to one of its officers, would deny the American people the right to vote has roosted in a one-room wooden shack in Hollis, Queens, for the past month.

Although residents around the shanty headquarters at 97-15 190th St., apparently don't know it, they have in their midst the seat of the self-styled American National Party.

And, said Ralph Grandinetti, 25, the group's state chairman and national organizer, the three-month old group will form their own army and fight communism in the U. S. whether the nation's citizens like it or not.

21 Men in Party

Grandinetti, awakened from a nap in the shack at 3 P.M. yesterday, told a reporter the group so far consists of 10 young men in the city area and 11 more in Louisiana. He called his group a right wing organization that stands for authority and responsibility.

To back their stand, he said, the members are forming a defense corps, known as the party shock troops. He added that these are the protectors of America and will wear as identification armbands, white shirts and black ties.

Although the group does not believe in mixing religion and politics, their armband, its organizer stated, stands for Christianity and the white race.

Aim to Banish Vote

Grandinetti explained people don't know what is going on in politics and the world today, and therefore should not have the vote.

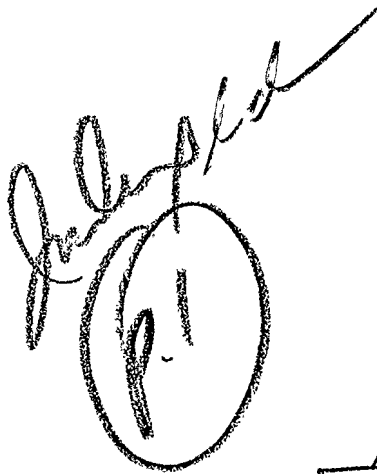

Who are they against? He said Communists everywhere, adding that his men will fight the Communist line even if they have to go to war.

Grandinetti admitted his group was in sympathy with Hitler and his Nazis in the fight against communism.

The group is seeking incorporation he said, and plans to run candidates for city, state and federal posts. To join one must fill out an application which states:

"I hereby apply for membership and if accepted I agree my membership may be revoked at any time without the reason given."

The organization's letterhead lists the officers as John Patler of Queens Village, national chairman; Dan Byrrows, 25, of Jamaica, vice chairman; Mrs. Erica V. Froreich, registrar and national treasurer, and Paul Dekal, "defense corps commander (party shock troops)."

Re: American National Party

THE NEW YORK COUNCIL TO
ABOLISH THE UN-AMERICAN
ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

The "National Guardian" in January 16, 1961, issue, page 7, column 1, contained an article which states that the NYCAUAC has only one objective: "to help the National Committee as vigorously as possible in its endeavors to mobilize the American people in a campaign to abolish the House Committee on Un-American Activities."

A third source furnished on March 9, 1961, a prospectus of the NCAUAC prepared principally by FRANK WILKINSON, which in reference to "local abolition committees" stated that these committees may identify and coordinate their efforts as closely as they desire with NCAUAC, still maintaining their autonomy for as flexible and independent program as possible. The prospectus also stated that the NYCAUAC was responsible for coordinating abolition activities on the Atlantic coast.

Various sources have advised in April, 1961, that Communist Party members in the New York City area have been solicited to support activities of the NYCAUAC during attendance at Communist Party club meetings.

American Nazis Establish Their National Headquarters in Queens

By MIKE NEWBERRY

EXCLUSIVE:

UNDER the thinly disguised name of the "American National Party" the discredited American Nazi Party is moving its national officers and office records to New York City and has established a headquarters, in Queens, as an operating base for its "Storm Troopers."

The Worker has learned that the entire Nazi Party National Office may be moved to this city.

Fuehrer of the Nazis, Lincoln Rockwell, has sent his chief lieutenants to staff this "Storm Trooper" center. Though Rockwell himself has not yet made a public appearance he is reported to be planning to make his grand entrance into the city on the anniversary of Hitler's birthday on April 20th, when he is scheduled to speak in Union Square.

Preparing for "der Tag"—when they come out into the open—the young hoodlums of the Nazi Party are hurriedly putting their new headquarters into shape.

This headquarters is located in a smallish, wooden building in

the Hollis section of Queens!

From this unassuming building are issuing forth boastful plans for street rallies, propaganda bombards of anti-Semitic and anti-Negro literature, and a new hate newspaper with which the Nazi toughs hope to terrorize the New York population this coming summer.

★

SUMMERTIME, say the Nazi, will witness their unleashing of a virulent hate campaign.

They plan "to invade all the heavily populated areas of the City" according to street fighting orders just issued to their members. Besides "at least two speeches a week," on street corners, their plans call for a "giant rally at a popular area each weekend."

Such "giant" rallies will be held at ball parks, bathing beaches, and similar crowded spots.

In the last few weeks the Nazi Party organizers have put their cohorts through several "dry runs" of their forthcoming rallies. Rather than just a straggly picketline, as they mounted in the past, they have held a number of open air rallies outside of progressive or peace meetings.

Fallout Shelter fiasco was held, with leading peace spokesmen and Reform Democrats, such as Assemblyman Mark Lane, the "American National Party" set up a street meeting outside with John Patler as featured speaker, and distributed their infamous "WE WANT WAR" leaflets.

Patler, who is editor of the **National Socialist Bulletin**, the American Nazi Party's "Official Publication," was also featured speaker at a rally outside the Carnegie Hall celebration of "The Worker," and there his toughs succeeded in provoking a brawl.

The "Storm Troopers" of the Nazis undergo a "basic training" course that includes tactics of street fighting. Until recently this "training" was given recruits at their Arlington, Virginia, headquarters, but with the reported moving of the Nazis' National Offices to New York City residents here may soon see the spectacle of Nazis drilling in their own backyard!

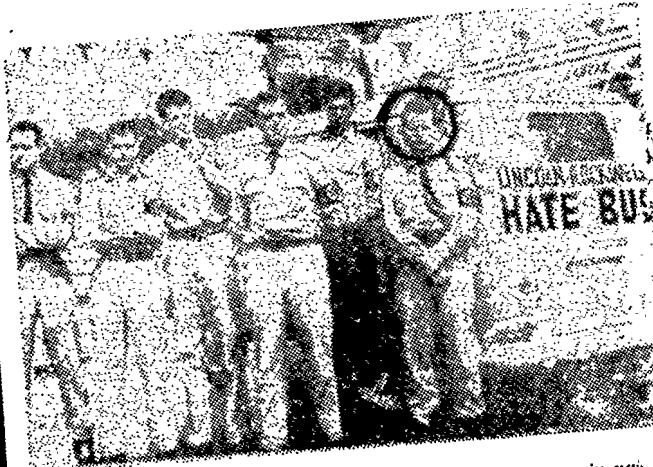

It appears certain that the "American National Party" will begin recruiting youth from the metropolitan area for their dirty work.

BUS CALLED HATE

Into Alabama's riot-torn capital drives a cargo of political dynamite—the new American Nazis

Rolling across the South in bold opposition to the latest Communist tactic of 'Freedom Rides' aimed at breaking the will of Southern whites, American Nazi Storm Troopers have through more than 1200 miles of Southern highways.

DAN BURROS, "national secretary" of the American Nazi Party (in circle) was one of the leaders of Rockwell's "Hate Bus" which toured the South inciting violence against Freedom Riders. Burros is now "vice chairman" of the "American National Party," which has opened headquarters in Hollis, Queens.

American Nazis in Queens.

(Continued from page 1)

National Party (nee, Nazi Party) is run by Dan Burros.

Burros is officially the Party's "Vice-Chairman" and "Officer in Charge of Security and Intelligence." In reality he is the National Secretary and racist "theoretician" of the Nazi Party. The National Socialist Bulletin (July 1961) lauded the baby-faced Burros in announcing this appointment to this post.

Said the Nazi sheet: "To the office of National Secretary Lt. Burros brings a vast and extensive knowledge of the philosophy of National Socialism and a thorough background in Party operations."

However, Dan Burros brings something else, which the Nazis did not mention, to the Hollis, Queens "Storm Trooper" headquarters . . . a record of violence, anti-Semitic provocations, and race hate. Burros was one of the leaders of the Nazi's "Hate Bus" (see photo) that toured the South during the Freedom Rides and which resulted in the arrest of the racist hoodlums in New Orleans.

Joining Burros as "Party Leader" of the "American National Party" is John Patler (previously mentioned) who as editor of the Nazi Party "Official Publication" was responsible for such headlines as:

"American Storm Troopers Ready to Descend on NAACP."

"Nazis Protest the Eichmann Crucifixion."

"U.S. Storm Troopers Oppose Pacifists."

"Memorable Martyrs: Paul Joseph Goebbels."

Patler will probably be editor of the new ANP's hate sheet—"The Attack!"

★

THE CLANDESTINE PLANS of the Nazis to move their operations to New York were set in motion last year during visits to the city by Seth Ryan, National Organizer of the Rockwell Fanatics.

Ryan, a native New Yorker

who was arrested by N. Y. police in January 1960 on the charge of strong-arming a group of Jewish old men in Union Square, was dispatched here to organize a united group out of the "Nationalist" and neo-Nazi clubs that have recently sprung up. Some of Ryan's old buddies, who were sentenced to 90 days with him for their part in the anti-Semitic outburst in Union Square—Hugh Bruce and Gilbert DeMillo—had since become leaders of the "Nationalist Party." Then there was James Madole's anti-Semitic "Renaissance Party" in Yorkville, and similar semi-independent Nazi and neo-Nazi groups.

It was Ryan's task to bring these groups together. This is the purpose of the "American National Party."

In line with this the DeMillo-Bruce "Nationalists," who use the same insignia as the ANP, have this month announced the formation of a "Federation" that will unite Ukrainian fascist, Horthy Hungarian, and Cuban rightist groups in a single front. "The Federation," they declare, "shall demonstrate in protest against any and all Communistic meetings."

Recently the "Nationalists" organized a "Pro-Walker, Pro-YAF" picketline outside of the Young Americans for Freedom Madison Square Garden rally; YAF is a "basically good anti-Communist organization," they said.

Burros, Patler, Ryan and Co. are also turning their attention to the youth. They hope to recruit into their "American National Party" those Nazi-like youth clubs that have appeared in Queens, and elsewhere, and their special target will be high school students.

★

WHAT IS behind the heightened Nazi activity in New York City?

Evidently Rockwell and his "Storm Troopers" have decided to capitalize on the Court of Ap-

peals decision granting him freedom to speak in New York.

The Nazis seem to believe that they will be freer to conduct their anti-Semitic, anti-Negro propaganda, to train their "Storm Troopers," and preach lynching of the "Jew-lovers" in New York than they were in Virginia where the State Legislature has revoked their charter. Hoodlum tactics that the Nazis use—such as kidnapping and terrorizing of a 12-year-old Jewish boy, in the

former headquarters in Arlington—were too much for the Virginia legislators to stomach.

Ironically, at the very time Rockwell's toughs are freely and openly setting up headquarters in New York, their "rights" guaranteed by the courts, the U.S. government has attempted to silence the leaders of the U.S. Communist Party by arresting Gus Hall and Benjamin Davis, and seeks to deny to them the freedom which the Nazis enjoy!!.

On Friday, March 2nd, 1962, a Freedom of the press Rally was held, ad advertised in the midweek edition of the Worker, Vol XXVII, No. 15, dated February 20, 1962, at Carnegie Hall, 57th Street and 7th Avenue, New York City. (see notice of this meeting attached to report). A detail of New York City Policemen were stationed about the outside of the building about 40 in all. admission charged at the door was \$1.00 per person and as announced during this meeting 1500 persons were in attendance.

The meeting was called to order at 8:00 p.m. by its chairman [redacted]. Business Manager of The Worker. a recorded version of The "Star Spangled Banner" was played and by actual count at the termination of this record the applause of only three people present was heard.

He said the Worker's Policy was for greater employment, peace, Medical care for the aged, greater Social security benefits, Disarmament and peaceful co-existence with the U.S.S.R. He claimed the Department of Justice and attorney-general [redacted] would be better off in prosecuting and jailing the members of the "American National Party" who were holding an open meeting on the North side of 57th Street, NYC, at the time the Freedom of the Press rally was in progress. He also called for the jailing of the members of the American Nazi Party who were in evidence on 57th Street in opposition to this rally. He stated in spite of the attorney-general and the Department of Justice the Worker would continue.

Chairman [redacted] introduced a young pianist [redacted] who gave a recital of two songs, the second of which as announced was the "Revolutionary Etude". [redacted] stated that [redacted] had won a grand prize in Mexico in 1958 and had been sent on tour by Our State Department.

NY 97-1691..

[redacted] introduced HERBERT APTHEKER, who is described in the column of [redacted] in the New York Journal American on Page 11, March 3rd, 1962, edition, as follows (HERBERT APTHEKER of New York, one of the participants at last years leftists "Japan Council Against A & H Bombs" meeting is a member of the National Board of the U.S. Communist Party.) (see attached notice to this report).

b6
b7c

HERBERT APTHEKER opened his remarks by stating that Attorney General ROBERT KENNEDY didn't have to go 8,000 miles to Japan to debate with its people he could very well stay home and debate the issues concerning the Worker with [redacted] or himself, APTHEKER. He said that "Political Affairs" was next on the attorney Gernerals list but before this would happen "my right arm would wither away, my tongue would cleave to the roof of my mouth and my blood would run cold in my veins".

A number of dancers were announced a group of 8 youthful people 4 boys and 4 girls accompanied by a piano-accordionist. Their spokesman said they would dance the native dance of the Ukraine. The final dance was called a Russian Challenge Dance. They were advertised in the Worker as the Dnipro Dançers.

[redacted] announced a collection and the sum of \$4,631.00 was collected.

A disturbance broke out on the right hand side of the hall and after a few blows were struck four or five people were escorted from the hall by uniformed members of the New York City Police Department. These people had voiced opposition to some of the remarks of the [redacted].

A song recital was then given by the Philadelphia Youth Chorus, a group of about twenty.

NY 97-169

[redacted] introduced [redacted] Worker, who read a telegram of moral support that he had received from JAMES ARONSON Editor of the "National Guardian". ARONSON'S telegram assured [redacted] that the National Guardian was behind the Worker 100%. Plans would be made for all out support for the Worker.

[redacted] spoke of the intervention of the United States Government in the internal affairs of Cuba. He said that Cuba was the Pearl of the Antilles a beacon light for the people of Central and South America in their struggle for self determination. He praised the work of Doctor DU BOIS in America and spoke of the genius of well known communists in Mexico, Chile, and Argentina and of their contributions to mankind. He claimed that America was interested in people gaining their freedom throughout the world but was denying that right to its own people here in America.

b6
b7C

[redacted] then called for a resolution which was adopted to send to President JOHN KENNEDY a telegram voicing opposition to his resumption of nuclear testing and calling for greater co-operation between the space agencies of America and the Soviet Union.

Meeting adjourned at 10:55 p.m.

ReBuairtel to NY, 3/5/62.

Reairtel stated that the American Nazi Party (ANP) and Nationalist Party activities are increasing in the NY area and that efforts should be made to insure adequate informant coverage is being developed within these organizations.

It is noted that there are no actual members of the ANP in the NY area except when they come to NY for purposes of picketing some Communist Party (CP) or CP front activity as they have done in the past.

In fact, the last activity by the ANP in NYC was a demonstration by [redacted] and [redacted] outside Carnegie Hall, NYC, where a meeting in celebration of the 38th anniversary of "The Worker" was held on 3/2/62. It is noted that [redacted] and [redacted] all traveled from ANP headquarters in Arlington, Virginia for the purpose of participating in this demonstration.

Detective [redacted] NYCPD, [redacted] ANP and Fighting American Nationalists (FAN) activity in the NYC area, employing the [redacted] Information obtained by [redacted] has been made available to the NYO. Much of this information has been obtained by [redacted] through weekly telephonic contact he has had with [redacted] at ANP headquarters in Arlington, Virginia. [redacted] in the latter part of 1961, replaced [redacted] as the head of FAN activity in the NYC area when [redacted] returned to ANP headquarters in Arlington, Virginia, to assist [redacted] ANP leader, with the publication of his book. According to [redacted] there has been no FAN activity as such since [redacted] departure for Arlington in the latter part of 1961.

All ANP activity in NYC to date has originated from Arlington, Virginia and the NYCPD has been informed well in advance of any ANP activity either through Detective [] or through [] himself who has made it a practice to inform local authorities before any contemplated activity in the NYC area. As a result, the NYO has always had excellent coverage both in ANP and PAN activities in the NY area.

As for the Nationalist Party, this group appears to be a most ineffectual group which joins with other groups such as the Hungarian freedom fighters to make it appear that they are a larger group than in reality they are. According to information developed by the NYO, the Nationalist Party (NP) has very few members with LUKE BOMMER and [] being in control. However, as of early February, 1962, [] had severed connections with the NP and NP activity since then has been almost nil. There has been little or no opportunity to obtain informant coverage in the NP because of its small membership and its actual lack of any apparent recruiting.

b6
b7C

Concerning the American National Party, another small group which is composed almost exclusively of former ANP members, [] a former ANP member, who is now an officer in the American National Party, has voluntarily furnished information to the NYO concerning his knowledge of ANP activities in the past as well as current activities of the American National Party.

In view of the above, it is felt that the NYO presently has excellent coverage of various racial groups similar to captioned organization which are active in the NYC area. It is felt that activity of captioned organization as well as other groups may increase in the future and an opportunity will then be afforded for NYO to obtain additional coverage of these groups should they institute any recruiting drives.

However, at the present time, all of the groups, mentioned above, have a limited membership in the NYC area and consequently there has been no need or opportunity to increase coverage of these groups since existing sources have provided full coverage concerning their activities.

NYO will remain alert for any increased activity by the above organizations and for any opportunity for informant coverage of these organizations which coverage is not now possible due to the extremely small actual membership in these groups at the present time.

NY 157-555

DETAILS

A. Name and Location of Organization

On November 27, 1961, and March 26, 1962, NY T-1 advised that the American National Party was formed on November 24, 1961, and has a mailing address of Post Office Box 191, Gracie Station, New York 28, New York.

NY T-1 on March 26, 1962, advised that the American National Party, in January, 1962, leased the premises at 97-15 190th Street, Hollis, Queens, New York, to serve as a headquarters building. However, the source stated these premises actually consist of one small wooden building, too small a place in which to hold meetings and which is used mainly to store supplies.

B. Officers of the American National Party

NY T-1 on January 22, 1962, and March 26, 1962, advised that the following individuals are officers in the American National Party:

b6
b7C

NY 157-555

[redacted] and [redacted]
(wife of [redacted])
[redacted]

RALPH GRANDINETTI
134-25 219th Street
Springfield Gardens,
Queens, New York

New York State
Chairman and National
Organizer

b6
b7c

[redacted]

According to NY T-1, all of the above-listed individuals are former members of the American Nazi Party, who severed connections with the American Nazi Party in the latter part of 1961 when they became dissatisfied with the policies of GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

A characterization of the American Nazi Party is contained in the Appendix section of this report.

C. Membership of the American National Party

NY T-1 advised that the only other individual connected with the American National Party, with the exception of those mentioned above, is [redacted]
[redacted]

According to the source, RALPH GRANDINETTI, mentioned above, has stated that subject organization has

NY 157-555

ten members in New York and eleven members in New Orleans but these figures, according to the source, are greatly exaggerated.

NY T-1 stated that the only individuals who could possibly be considered as having any connection with the American National Party, other than those mentioned above, are [redacted] and her son, [redacted], who reside in [redacted] exact address unknown. According to the source, [redacted] at one time was a supporter of GEORGE LINCOLN ROCKWELL and the American Nazi Party. She befriended [redacted] when he visited New Orleans in 1961 as one of the participants and riders in ROCKWELL's "Hate Bus", a Volkswagen bus which travelled through the South in 1961 as a protest against the busloads of freedom riders who were testing segregated facilities in the bus terminals in the southern states.

b6
b7C

NY T-1 advised that [redacted] and the [redacted] still correspond with each other but stated that the [redacted] could hardly be considered members of the American National Party.

D. Aims and Purposes of the American National Party

A throwaway circular distributed by the American National Party, Post Office Box 191, Gracie Station, New York 28, New York, entitled, "American National Party, What is It For", sets forth the following program:

FOR
"A New America

NY 157-555

"Free Enterprise and Private Property

"Complete Geographical Separation of the White and non-White people of America.

"Abolishment of the Federal Income Tax Law.

"Abolishment of the United Nations Treaty
AGAINST
"Communism

"Socialism and Government Control

"Integration or Segregation as the only solution to the Race Problem.

"Foreign Aid

"Treason to the United States in any form."

NY T-1 advised on March 26, 1962, that the above-quoted program is the "open policy" of the American National Party but in reality, the purpose of subject organization is to "break the inordinate power of the Jew in the United States through constitutional means" and to "eliminate the Negro from the population of the United States by sending him back to Africa." The source explained the "inordinate power of the Jew in the United States" to mean the complete control which the Jew has over newspapers and other communication media in the United States which control serves to dominate the minds of the citizens of the United States.

The source stated that the American National Party is opposed to violence in any form in achieving

NY 157-555

its aims since present day history proves that violence is never successful in the permanent overthrow of any existing forms of government.

Rather, the source stated, the American National Party hopes to attain its goals through the distribution of literature which by its provocative nature commands the immediate attention of the reader.

NY T-1 advised that the literature of captioned party is provocative because it calls for the withdrawal of the United States from the United Nations, the waging of war against the Soviet Union, the liberation from prison of RUDOLF HESS, former German Nazi leader and calls for the support of the Organization de l'Armee Secrete (OAS) in Algeria.

NY T-1 stated that the members of the American National Party believe that the aforementioned literature provides "shock value" in placing the name of the American National Party before the people of the United States.

The source further stated that the primary purpose behind the literature dealing with RUDOLF HESS and the OAS is to gain international recognition for subject organization among "foreign rightist groups."

On March 26, 1962, NY T-1 advised that, to date, little actual support has been obtained by subject organization. However, the source stated members of the American National Party feel that if they continue their anti-Communist tactics such as picketing the offices of "The Worker", an East Coast Communist newspaper, at 23 West 26th Street, New York City, they will attract a large number of anti-Communists to the American National Party.

NY 157-555

Once these anti-Communists are attracted, members of the subject organization feel that they then can be gradually educated to become anti-Semites and thereby accomplish the true aims of captioned party.

NY T-1 stated that when a sufficient number of supporters and sympathizers for the American National Party have been recruited, then the Party can further propagate its program through constitutional means by passage of appropriate legislation.

NY T-1 stated that the members of captioned organization believe that the American National Party's stature as a political power can be rapidly achieved, but to date there has been little evidence to support this contention.

E. Activities of the American National Party

On December 7, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that from 6:45 p.m. to 7:30 p.m. on December 6, 1961, five representatives of the American National Party picketed a rally jointly sponsored by the New York Council to Abolish the Un-American Activities Committee (NYCAUAC) and Youth to Abolish the Un-American Activities Committee (YAUAC) held at Manhattan Center, 34th Street and 8th Avenue, New York City.

Detective [redacted] advised that the American National Party representatives carried signs reading, "Only Reds Need Fear Committee" and "Abolish Reds Not the Committee."

b6
b7c

NY 157-555

Characterizations of the
NYCAUAC and the YAUAC are set forth
in the Appendix section of this report.

On February 9, 1962, Detective []
[] Bureau of Special Services, New York City
Police Department, advised that on the evening of
February 8, 1962, from 7:35 p.m. to 8:20 p.m., []
[] and RALPH GRANDINETTI, previously mentioned,
alternately spoke while standing on a wooden box opposite
the entrance to St. Nicholas Arena, New York City,
where a meeting of the Americans for Democratic Action
(ADA) and the Greater New York Council for a Sane
Nuclear Policy (SANE) was being held in protest of
the fallout shelter program in New York State.

b6
b7C

Detective [] stated that the box on
which [] and GRANDINETTI stood while speaking
was covered with a sign reading, "We Want War. American
National Party Post Office Box 191, Gracie Station,
NY 28, NY." In addition, a large sign measuring
approximately four feet by ten feet was held in front
of the speaker. This sign, which was red, white and
blue in color, read, "We Want War; Communism Must
Perish; American National Party." According to Detective
[], an officer in the American
National Party, held one side of this sign.

Detective [] advised that [] and
GRANDINETTI denounced Communism, KHRUSHCHEV, those
who want to ban nuclear testing and the ADA. In his
speech, [] stated he was a former Marine with only
a high school education but that he was loyal to his
country and would debate any pacifist or ADA member.

On March 8, 1962, Detective [] advised

NY 157-555

that on March 7, 1962, from 7:30 p.m. to 8:15 p.m., four members of subject organization, [redacted] RALPH GRANDINETTI, [redacted] and [redacted], distributed literature at the southeast corner of 50th Street and 8th Avenue, New York City, across the street from Madison Square Garden where a rally sponsored by the Young Americans for Freedom (YAF) was being held. The literature which was distributed by the American National Party demanded immediate declaration of war by the United States against the Soviet Union.

b6
b7c

On March 19, 1962, Detective [redacted] advised that on Sunday, March 18, 1962, from 2:05 p.m. to 2:35 p.m., GRANDINETTI, [redacted] and two other unidentified white males picketed outside the Hunts Point Palace, 953 Southern Boulevard, Bronx, New York, where a meeting sponsored by the NYCAUAC was held.

According to Detective [redacted] the pickets distributed a leaflet which read in part, "Abolish the Reds, not the Committee."

On March 20, 1962, Detective [redacted] advised that RALPH GRANDINETTI and two other unidentified white males distributed American National Party literature outside the offices of the Communist newspaper, "The Worker", at 23 West 26th Street, New York City, from 5:00 p.m. to 5:15 p.m. on March 19, 1962. The literature distributed on this occasion called on the United States to wage war against Russia before Russia begins its military attack upon the United States.

On March 26, 1962, NY T-1 advised that future plans of the American National Party call for;

NY 157-555

a speech in opposition to GEORGE LINCOLN ROCKWELL, American Nazi Party leader, if ROCKWELL speaks at Hunter College, New York City, on April 11, 1962; street meetings in the Yorkville section of New York City with no specific dates established as yet; and picketing by [] on every Monday evening beginning at 4:30 p.m. or 5:00 p.m. outside the offices of "The Worker" during which picketing, [] intends to distribute literature of a "provocative nature" aimed against the Communists.

b6
b7c

F. Connection with Other Organizations

On March 26, 1962, NY T-1 advised that the American National Party has absolutely no connection with the American Nazi Party even though all officers of captioned organization were formerly connected with the American Nazi Party.

On January 22, 1962, NY T-1 advised that the American National Party had recently obtained membership in the Northern European Ring, 74 Princedale Road, London, England, which the source described as a loose organization of national racial groups from the north European countries. According to the source, the purpose of contacts with the above-mentioned ring has been for a free exchange of literature.

NY T-1 further stated on January 22, 1962, that about one month prior to that date, [] and [] visited JAMES H. MADOLE, leader of the National Renaissance Party (NRP), 10 West 90th Street, New York City, at the invitation of MADOLE. MADOLE was

NY 157-555

anxious to obtain the cooperation of the American National Party in support of the NRP but members of captioned party will not render any assistance to MADOLE because of his pro-CASTRO and pro-Soviet stand.

NY T-1 also advised that in January, 1962, [] and [] had visited CONDE MC GINLEY at the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, primarily for the purpose of attempting to attract new members to the American National Party as well as to distribute literature. According to the source, [] at that time made arrangements to draw some cartoons for MC GINLEY's publication, "Common Sense".

b6
b7C

NY T-1 stated that on January 5, 1962, ROY FRANKHOUSER from Redding, Pennsylvania, who is National Organizer for the National States Rights Party (NSRP) met with [] at the Bavarian Inn in the Yorkville section of New York City. At that time, FRANKHOUSER informed [] that there would always be a place in the NSRP for [] and other members of captioned party should they desire to join up with the NSRP.

Characterizations of the NRP, "Common Sense" and the NSRP appear in the Appendix section of this report.

The source explained the "inordinate power of the Jew in the United States" to mean the complete control of the Jew over newspapers and other communications media in this country through which a great domination is wielded over the minds of the citizens of the United States.

The source further advised that American National Party hopes to attract a great number of anti-Communists who will eventually be educated to be anti-Semites, through distribution of anti-Communist literature.

NATIONALIST PARTY

On December 22, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that the Nationalist Party (NP) was formed on September 21, 1961, and is located at 507 Fifth Avenue, New York City. Detective [redacted] stated that the NP has no actual headquarters and utilizes 507 Fifth Avenue, New York City, as a "mail drop."

On November 27, 1961, a source advised that [redacted] of the NP, and LUKE DOMMER control the operations of the NP.

Detective [redacted] advised that [redacted] informed him that the NP was formed on September 21, 1961, "to fight Communism, anti-Christian liberals, and all those opposing the present form of our Constitution."

b6
b7C

Detective [redacted] advised that [redacted] had informed him on April 21, 1961, that he, [redacted] had been a member of the American Nazi Party (ANP) and had resided at ANP Headquarters in Arlington, Virginia, from about February 5, 1961, to March 15, 1961. [redacted] discontinued membership in the ANP when he became convinced that GEORGE LINCOLN ROCKWELL, ANP leader was not a true anti-Semite and may even have "sold out to the Jews."

On December 13, 1960, Detective [redacted] advised that LUKE DOMMER attended a meeting of the Fighting American Nationalists (FAN) which was held at the Lotus Restaurant, 228 East 86th Street, New York City, on December 4, 1960.

On January 22, 1962, the above-mentioned source advised that activities of the NP have consisted of anti-Communist demonstrations around New York City, sponsored by other anti-Communist organizations such as the Hungarian freedom fighters. The source stated that the NP, by joining in demonstrations with other organizations, gives the impression that it has a large membership whereas in actuality, the NP has very few members.

On 3/26/62, a source advised that the American National Party was formed on 11/24/61, and is composed of

Registrar and National Treasurer, RALPH GRANDINETTI, New
York State Chairman and National Organizer, and [redacted]
[redacted] all of whom, according to the source,

The source stated that the above individuals severed connections with the American Nazi Party because of policy disagreements with GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

The source stated that the "open policy" of the American National Party is strictly anti-Communist but in reality, the purpose of the organization is to "break the inordinate power of the Jew in the United States through constitutional means" and to "eliminate the Negro from the population of the United States by sending him back to Africa". The source explained the "inordinate power of the Jew in the United States" to mean the complete control of the Jew over newspapers and other communication media in this country through which a great domination is wielded over the minds of the citizens of the United States.

The source further advised that American National Party hopes to attract a great number of anti-Communists who will eventually be educated to be anti-Semites, through distribution of anti-Communist literature.

The speeches themselves were for the most part non-political, at the request of the committee. The representative from Ghana made passing mention of the "colonial fact" of illiteracy, and the representative of the FLN made several mentions of colonialism. In the questioning period, however, the questions and answers were highly political in tone. The Ghana representative explained how [redacted]

desire to win prestige for Ghana by internal quiet and the right of the ruling party to keep itself in power (inactivity of the conservatives allowed this) justified the 25 yr. term for political prisoners. The FLN representative explained the neutralist policy of the FLN as a desire to build its own country. The Ghana representative said the white man taught them to raise their eyes to God in prayer and took away their land while they weren't watching. This was seconded by the FLN representative who went on to criticize the French land policy.

It was mentioned at the meeting by someone not known to me that [redacted] had said that the office had received 250 applications and none had been refused. Folders, applications, and a flyer for the jazz concert were passed out at the door.

On May 7, 1962, Detective [redacted], Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that on Sunday, May 6, 1962, from 4:00 pm to 5:00 pm, [redacted] and [redacted] all members of the American National Party, Post Office Box, 191, New York 20, New York, picketed outside the Carlyle Hotel, 76th Street and Madison Avenue, New York City, wherein Mrs. John F. The pickets carried placards reading "J. F. K. Stop Spending the Taxpayers Money", "Why Must It Cost Taxpayers \$73,000 for a Useless and Extensive Trip Abroad", and "American National Party, P.O. Box 191, NY 20, NY White Man's Party, Working Man's Party".

AMERICAN NATIONAL PARTY

On March 26, 1962, a source advised that the American National Party was formed on November 24, 1961, and is composed of [REDACTED]

[REDACTED] wife of [REDACTED]
[REDACTED] RALPH GRANDINETTI, New York State Chairman and National Organizer, and [REDACTED]
[REDACTED] all of whom, according to the source, are former members of the American Nazi Party.

b6
b7c

The source stated that the above individuals severed connections with the American Nazi Party because of policy disagreements with GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

The source stated that the "open policy" of the American National Party is strictly anti-Communist but in reality, the purpose of the organization is to "break the inordinate power of the Jew in the United States through constitutional means" and to "eliminate the Negro from the population of the United States by sending him back to Africa." The source explained the "inordinate power of the Jew in the United States" to mean the complete control of the Jew over newspapers and other communication media in this country through which a great domination is wielded over the minds of the citizens of the United States.

The source further advised that American National Party hopes to attract a great number of anti-Communists who will eventually be educated to be anti-Semites, through distribution of anti-Communist literature.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York.

The source further advised that since January, 1962, the American National Party has leased the premises at 97-15 190th Street, Hollis, Queens, New York, to serve as a headquarters, but which in actuality is a small wooden shack utilized mainly to store supplies.

Re: American National Party
Racial Matters

On May 21 and May 29, 1962, a source, who is in a position to furnish reliable information, furnished the following information:

The American National Party continues to maintain the mailing address of Post Office Box 191, Gracie Station, New York 28, New York, but has not leased the premises at 97-15 190th Street, Hollis, Queens, New York, for over one month. The latter address consisted of a very small building utilized by the American National Party for the purpose of storing supplies. Captioned organization is currently attempting to locate a headquarters in the "Italian Harlem Section" of New York City but as yet has been unsuccessful.

The activities of the American National Party have consisted of demonstrations and picketings at Communist rallies which are advertised in advance in such publications as "The Worker" and the "National Guardian".

"The Worker" is an East Coast Communist newspaper.

A characterization of the "National Guardian" appears in the appendix section of this memorandum.

Captioned organization recently received unexpected publicity when it was linked with the OAS, the French Secret Army in Algeria. This resulted from sending a circular printed by captioned organization to the OAS in Algeria. Apparently the envelope containing the circular, supporting the OAS, was seen by an OAS sympathizer who was employed in the post office in Algeria. This individual saw that the circular printed by captioned party was delivered to OAS

Headquarters in Algeria where it was reproduced in both the French and English language and widely distributed. As a result some of the newspapers in the United States carried an item showing that the American National Party supported the OAS. Such publicity was most welcome since captioned group is in actuality a very small organization, struggling to increase its membership, and constantly in search of "free publicity".

The current membership of the American National Party consists of [redacted] wife [redacted] and Ralph Grandinetti. [redacted] of [redacted] was an active member until approximately one month ago when he dropped from sight and his present whereabouts are unknown.

b6
b7C

Attempts are being made by captioned group to have [redacted] designated as the American National Party representative in Texas. Efforts to interest former American Nazi Party member [redacted] of [redacted] in becoming the representative of captioned organization in Florida have apparently met with failure due to the lack of interest displayed by [redacted].

The future plans of the American National Party call for the publication of anti-Negro literature which will be distributed in those areas of New York City where it is felt there is anti-Negro feeling. It is hoped that, through the distribution of this literature, the membership of the American National Party itself will be increased.

There will be no publication of any anti-Semitic literature since it is impossible to operate in the New York City area on a program of anti-Semitism. The primary aim of the American National Party is publication of literature aimed at anti-Negro elements and through circulation of this literature, recruitment of new members.

American National Party

Concerning other organizations, the Fighting American Nationalists (FAN) branch in Chicago has dissolved and is now known as the American Nazi Party with [redacted] former FAN Chicago leader, in charge. Another organization active in Chicago, the White Youth Corps, headed by [redacted] [redacted] is in reality a front group of the American Nazi Party.

b6
b7C

The National States Rights Party (NSRP) of Birmingham, Alabama, has promised to furnish its mailing list for the New York City area to captioned organization in return for members of the American National Party becoming members of the NSRP. Captioned organization, however, is not interested in such an arrangement.

GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party, intends to use the New York City Chapter of FAN to eventually establish a branch of the American Nazi Party in New York City; however, to date there has been no activity in this regard.

Characterizations of the American National Party, the American Nazi Party, FAN, FAN, NYC, and the NSRP are attached hereto and all sources, with the exception of the source used in the characterization of captioned organization have furnished reliable information in the past. The source in the characterization of captioned group is in a position to furnish reliable information.

On May 8, 1962, Detective Tony [redacted], Bureau of Special Services, New York City Police Department (NYCPD) advised that the Fighting American Nationalists (FAN) first made an appearance in New York City in October, 1960, when a small group picketed against John F. Kennedy, then a presidential candidate.

b6
b7C

On May 8, 1962, a source advised that FAN is a front group of the American Nazi Party (ANP). The New York branch of FAN has no actual headquarters but utilizes Post Office Box 220, Murray Hill Station, New York 16, New York, as a mailing address.

According to this source, FAN, NYC, was formed under the direction of George Lincoln Rockwell, leader of the ANP, Arlington, Virginia, and is composed of individuals who are in sympathy with the purposes of the ANP but who are reluctant to expose themselves publicly as ANP sympathizers.

The source advised that although FAN, NYC, has no formal membership list, individuals who participate in FAN activities consider themselves FAN members. [redacted] a member of the ANP, is the organizer of FAN, NYC, having been specifically designated as such by George Lincoln Rockwell.

Information Concerning

On June 29, 1962, Lieutenant [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that on Thursday evening from 8:00 pm to approximately 11:20 pm, a rally sponsored by the Christian Anti-Communism Crusade was held at Madison Square Garden, New York City. The principal speaker at this rally was Dr. Fred Schwarz who spoke of the danger of Communists taking over control of the United States. There were approximately 8,000 people in attendance at the above rally.

Lieutenant [redacted] advised that the following groups picketed or demonstrated in the vicinity of Madison Square Garden on Thursday evening, June 28, 1962:

From 5:20 pm to 8:15 pm approximately 100 representatives of the Anti-Fascist Youth Committee, 3250 Broadway, New York City, picketed at the northeast corner of 50th Street and Eighth Avenue, New York City, carrying placards reading: "You Can Trust Fred Schwarz to be a Fascist"; "Keep Our City Clean, Keep Schwarz Out"; "Ultra Right is the Road to War".

From 6:15 pm to 8:45 pm approximately 80 representatives of Advance and Burning Issues picketed on the southeast corner of 51st Street and Eighth Avenue carrying placards which read: "Peace not Red Bailing"; "Ultra Right Ultra Wrong", and "Civil Rights not Cold War".

From 7:45 pm to 8:00 pm several representatives of the Student Peace Committee, 24 Willow Street, New York City, distributed literature outside Madison Square Garden stating "dedication to an anti-communist crusade is not enough".

From 7:20 pm to 8:00 pm four representatives of the National Renaissance Party, 10 West 90th Street, New York City, distributed literature outside Madison Square Garden of an anti-Semitic nature critical to Dr. Schwarz.

On August 1, 1962, a source advised that the American National Party was formed on November 24, 1961 and is composed at present of [redacted] and RALPH GRANDINETTI, all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with GEORGE LINCOLN ROCKWELL, ANP leader.

According to this source, there has been no real activity by the American National Party in recent months.

The above source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

The source stated that the American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, N.Y., but has no actual headquarters.

On August 1, 1962, a source who has furnished reliable information in the past, furnished the following information:

The American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

The American National Party which was formed originally on November 24, 1961, is presently composed of [redacted] and Ralph Grandinetti, all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with George Lincoln Rockwell, ANP leader.

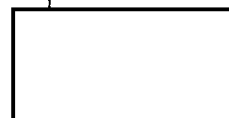

b6
b7C

The membership of the American National Party has gradually declined since its formation and is in danger of complete dissolution because of the lack of interest displayed by its present members. There has been no real activity by members of the American National Party because Patler wishes to continue the picketing activity of the American National Party against Communist Party (CP) meetings whereas [redacted] and Grandinetti feel that picketing with only three persons is ineffective.

[redacted] and Grandinetti feel that the main activity of captioned party should be placed on the recruitment of additional members so that with the increased membership the American National Party will become an effective instrument for demonstrations against the CP and CP front organizations.

The American National Party has been unsuccessful in obtaining a headquarters as it had intended to establish in the "Italian Harlem Section" of New York City because it lacks sufficient funds to rent a suitable headquarters and because it has so few members.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

b6
b7C

The most recent activity of the American National Party is publication of a pamphlet entitled "Kill!" edited by [] [] previously mentioned.

[] realizes this pamphlet is extremely inflammatory and possibly a violation of law because it tends to arouse the "white man" to possible violence against his "enemies." In view of this, captioned party will not accept any subscriptions to this pamphlet but will distribute it carefully. The main purpose behind the pamphlet is to secure publicity and notoriety for captioned group and members of the group feel that this pamphlet may accomplish this end.

Several hundred copies of the pamphlet "Kill!" were reportedly shipped abroad to the British National Party, Hilltop, Manchester Road, Thornton Heath, Surrey, England, and to the National Socialist Movement, 42 Tudor Avenue, Broad Lane, Coventry, England, both described as strong nationalistic groups.

There are no immediate plans for any further activity by the American National Party in the New York City area.

On 6/5/62, Colonel DAVID H. SMITH, Assistant Chief of Staff, G-2, Headquarters, U.S. Army Europe, Communications Zone, Orleans, France, furnished information which had been received from an official French source of his office.

According to the French source, ten reams of tracts, similar to the enclosed copy and destined for distribution in Algeria, were recently confiscated by French authorities in Oran. It will be noted that the tract includes the following statement: "Published and distributed as a public service by the National Committee of American Friends of the French Secret Army Organization in cooperation with, and under the sponsorship of The American National Party, Post Office Box 191, Gracie Station, New York, 28, N.Y."

According to Col. SMITH, the French source knew of no reaction caused by the tract, since it reportedly resembles a number of others which are being distributed in Algeria. The source felt that the tract was printed in the United States, but had no information concerning the sender or how they were shipped to Algeria.

Col. SMITH noted further that the tracts were printed on legal size, white bond paper with a watermark of "Original Casselmill",

DETAILSA. Location of American National Party

On May 21 and 29, 1962, NY T-1 advised that the American National Party continues to maintain a mailing address of Post Office Box 191, Gracie Station, New York 28, New York, but has not leased the premises at 97-15 190th Street, Hollis, Queens, for over one month. This latter address consisted of a very small building which had been utilized by subject organization for the purpose of storing supplies.

NY 157-555

NY T-1 further advised on May 21, 1962, that the American National Party was then attempting to locate a headquarters in the "Italian Harlem Section" of New York City.

On August 1, 1962, NY T-1 advised that the American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

The above source further advised that the American National Party has been unsuccessful in obtaining a headquarters in the "Italian Harlem Section" of New York City because it lacked sufficient funds to lease a suitable headquarters and because it had so few members.

On October 10, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD) advised that the American National Party continues to maintain a mailing address at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

B. Membership of the American National Party

On May 29, 1962, NY T-1 advised that the membership of the American National Party at that time consisted of [redacted] wife, [redacted] and RALPH GRANDINETTI. This source stated that [redacted] of Sewell, New Jersey, had been an active member but had dropped out approximately one month previously.

NY T-1 further advised that attempts were then being made to designate [redacted] as the representative of captioned party in Texas.

On August 1, 1962, NY T-1 advised that the membership of the American National Party had gradually declined since its formation in November, 1961, and was then in danger of complete dissolution due to the lack of interest displayed by its members.

NY 157-555

This source further stated that the membership of the American National Party in August, 1962, consisted of [redacted] and RALPH GRANDINETTI, all former members of the American Nazi Party, who had left the American Nazi Party because of policy disagreements with GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

b6
b7C

A characterization of the American Nazi Party is contained in the Appendix section of this report.

On August 1, 1962, NY T-1 stated that [redacted] mentioned above, seems to have lost all enthusiasm in connection with the activity of captioned party and reportedly has been in contact with [redacted] of the National States Rights Party (NSRP) in Birmingham, Alabama. According to the source, [redacted] has asked [redacted] to join the NSRP and has guaranteed [redacted] a steady salary if [redacted] comes South and works for the NSRP.

A characterization of the NSRP is contained in the Appendix section of this report.

On September 20, 1962, NY T-1 advised that the only active members of the American National Party as of that date, were [redacted] and RALPH GRANDINETTI, New York State Chairman and National Organizer.

The source stated that [redacted], who had been [redacted] of captioned party in charge of Internal Security, had recently resigned from captioned party because of disagreements he had with [redacted].

NY T-1 further stated that he felt the American National Party would dissolve in a short time because of its failure to recruit a sizeable membership, and since it had been reported that [redacted] previously mentioned, was contemplating an offer to join the staff of "The Thunderbolt", official newspaper of the NSRP.

NY 157-555

C. Activities of the American National Party

On April 10, 1962, Detective [] previously mentioned, advised that on April 7, 1962, from 10:00 A.M. to 12:15 P.M. [] and RALPH GRANDINETTI, all members of captioned organization, participated in picketing outside of the Belmont Plaza Hotel, 49th Street and Lexington Avenue, New York City, wherein a breakfast under the auspices of the Committee to Secure Justice for Morton Sobell (CSJMS) was being held.

b6
b7C

According to Detective [] the three members of captioned organization who are mentioned above, wore black arm bands inscribed with a Nordic cross within a circle and shouted "Death to Traitors" and "Hang Sobell" while picketing.

A characterization of the CSJMS is contained in the Appendix section of this report.

On May 11, 1962, Detective [] BSS, NYCPD, advised that on Thursday evening, on May 10, 1962, from 7:30 P.M. to 8:15 P.M., [] and GRANDINETTI, all previously mentioned, picketed outside St. Nicholas Arena, 66th Street, West of Broadway, New York City, wherein a reception for Major GHERMAN TITOV, Soviet Cosmonaut, and his wife, was held under the auspices of the National Council of American Soviet Friendship (NCASF).

The NCASF has been designated pursuant to Executive Order 10450.

Detective [] stated that the pickets carried signs reading "Go Home Red Rat", "Out With Red Titov", and "Go Home Red Spy Titov". Detective [] stated that although the signs bore no identification of the American National Party, the pickets wore arm bands which bore a white cross within a circle on a black background.

NY 157-555

Detective [] stated there were no incidents during the above picketing.

On May 7, 1962, Detective [] previously mentioned, advised that on Sunday, May 6, 1962, from 4:00 P.M. to 5:00 P.M., [] and [] all then members of the American National Party, picketed outside the Carlyle Hotel, 76th Street and Madison Avenue, New York City, wherein Mrs. JOHN F. KENNEDY, wife of the President of the United States, was staying.

b6
b7c

Detective [] advised that the pickets carried placards reading "J.F.K. Stop Spending the Taxpayer's Money", "Why Must It Cost Taxpayers \$73,000 For A Useless and Extensive Trip Abroad" and "American National Party, P.O. Box 191, New York 28, New York, White Man's Party, Workingman's Party".

Detective [] stated there were no incidents during the above picketing.

On May 21, 1962, NY T-1 advised that activities of the American National Party had consisted at that time of demonstrations and picketings of Communist Party (CP) rallies, which are advertised in advance in such publications as "The Worker" and the "National Guardian".

"The Worker" is an East Coast Communist newspaper.

A characterization of the "National Guardian" is contained in the Appendix section of this report.

On May 29, 1962, NY T-1 advised that at about that time the American National Party had received unexpected publicity when it was linked with the OAS, the French Secret Army in Algeria. The source stated that this resulted from sending a circular printed by the American National Party to the OAS in Algeria. According to the source, the

NY 157-555

circular, supporting the OAS, was delivered by an OAS sympathizer to OAS Headquarters in Algeria where it was reproduced in French and English languages and widely distributed. As a result, some newspapers in the United States carried an item showing that the American National Party supported the OAS.

NY T-1 stated that the above publicity was most welcome since captioned group is actually very small, struggling to increase its membership, and constantly in search of "free publicity".

b6
b7c

NY T-1 further advised on May 29, 1962, that the future plans of captioned organization call for the publication of anti-Negro literature to be distributed in those areas of New York City where it is felt there is anti-Negro feeling. The source stated that the American National Party was hopeful that its membership would increase through the distribution of this literature.

On June 29, 1962, Lieutenant [] BSS, NYCPD, advised that on Thursday evening, June 28, 1962, from 8:00 P.M. to approximately 11:20 P.M. a rally sponsored by the Christian anti-Communism Crusade was held at Madison Square Garden, New York City. The rally which was attended by approximately 8,000 people, had for its principal speaker Dr. FRED SCHWARZ who spoke of the danger of Communism taking over control of the United States.

Lieutenant [] stated that from 7:45 P.M. to 8:45 P.M. on June 28, 1962, [] and [] previously mentioned, distributed literature outside Madison Square Garden, calling for "bigger and better bombs".

On August 1, 1962, NY T-1 advised that there had been no real activity by members of the American National Party in recent months because [] wished to continue the picketing activity against CP meetings, whereas [] and GRANDINETTI felt that picketing with only three persons was ineffective.

NY 157-555

NY T-1 further advised on August 1, 1962, that the American National Party had recently published a pamphlet entitled "Kill!" edited by [] previously mentioned.

b6
b7c

According to the source, [] realized this pamphlet was extremely inflammatory and possibly a violation of the law because it tended to arouse the "white man" to possible violence against his "enemies". The source stated that because of this, the American National Party would not accept any subscriptions to this pamphlet but would distribute it carefully. The source further advised that the main purpose behind this pamphlet was to secure publicity and notoriety for captioned group and members of captioned group feel that the pamphlet may accomplish this end.

In accordance with this purpose, NY T-1 advised that several hundred copies of the pamphlet "Kill!" were reportedly shipped abroad to the British National Party, Hilltop, Manchester Road, Thornton Heath, Surrey, England, and to the National Socialist Movement, 42 Tudor Avenue, Broad Lane, Coventry, England, both described by the source as strong nationalistic groups.

On August 21, 1962, Detective Lieutenant [] Englewood, New Jersey, Police Department advised that [] self-identified as National Chairman of the American National Party, had been arrested by the Englewood, New Jersey, Police Department on a charge of disorderly conduct after [] had overstayed a 15 minute deadline given to him by the police to picket in the vicinity of Mac Kay Park, Englewood, New Jersey, on August 18, 1962.

It is noted that on August 18, 1962, a rally sponsored by the Englewood Movement, an organization led by Attorney [] former counsel of the National Association for the Advancement of Colored People (NAACP) was held at Mac Kay Park. At this rally [] outlined a program which he said would gain negroes equal rights and which included an economic boycott.

NY 157-555

The "Record Newspaper" Hackensack, New Jersey, dated August 23, 1962, contained an article reflecting that [redacted] previously mentioned, on August 22, 1962, was found guilty of disturbing the peace last Saturday while counter-demonstrating in the Negro anti-segregation rally in Englewood, New Jersey and was sentenced to ten days in jail by Englewood Magistrate HENRY J. BENDHEIM.

b6
b7C

On September 21, 1962, Detective [redacted] previously mentioned, advised that on September 20, 1962, from 8:00 P.M. to 8:30 P.M., [redacted] and GRANDINETTI, previously mentioned, picketed across the street from the Calvary Baptist Church, 111-10 New York Boulevard, Jamaica, New York, the site of a rally at which Reverend MARTIN LUTHER KING, JR., negro integrationist, was the main speaker.

[redacted] informed Detective [redacted] that the purpose of this picketing was to protest the "race-mixing crusade led by LUTHER KING." Detective [redacted] stated that [redacted] and GRANDINETTI carried placards reading "Stop Pushing White People" and "Go Home King", and wore arm bands with the American National Party symbol, a "sun wheel sword" consisting of a white cross within a circle on a black background which according to [redacted] "stands for white nationalism".

On September 24, 1962, Detective [redacted] previously mentioned, advised that [redacted] and GRANDINETTI distributed leaflets outside the Forum Theater, 47th Street and Broadway where the motion picture "Flame in the Streets" was being exhibited. Detective [redacted] stated that the motion picture's theme deals with the emotional involvement of a white girl with a negro suitor.

Detective [redacted] advised that there were no incidents during the above demonstration.
